

SYNIVERSE - SECURITY OWNERSHIP

The percentage ownership is based on 67,667,226 shares of common stock outstanding at March 28, 2005. Shares of common stock that are subject to options currently exercisable or exercisable within 60 days of March 28, 2005 are deemed outstanding for the purpose of computing the percentage ownership of the person holding such options but are not deemed outstanding for computing the percentage ownership of any other person. Unless otherwise indicated in the footnotes following the table, the persons and entities named in the table have sole voting and sole investment power with respect to all shares beneficially owned, subject to community property laws where applicable.
